Dear Mr Milne,

Outcome of proposal to offer the University of London International Foundation Programme (IFP) online from the 2020-21 academic year onwards

I am pleased to inform you that the Senior Leadership Team of the University of London Worldwide has endorsed the recommendation to allow Bristol International College to offer the following programme via a virtual learning platform:

Programme:	University of London Recognised Teaching Centre:
University of London International Foundation Programme https://london.ac.uk/courses/international-foundation-programme	Bristol International College 1 Berkeley Square Bristol BS8 1HL

The University of London made the recommendation after careful consideration of the proposal presented by Bristol International College.

Further benefits include the use of a specially adapted logo of the University of London, a specific listing on the University of London website, advice and support from dedicated development and quality teams, access to the online Teaching Centres Portal and a range of activities for Recognised Teaching Centres such as yours.

This collaboration involves both of our organisations working closely together in order to benefit our students by enriching their learning experience. I look forward to an exciting and mutually positive relationship with this exciting new initiative.

Kind regards,
